Samsoet Council Merit Badge Workshop Sponsor Program

What is a Merit Badge?

Merit badges are awards earned by youth members of the Boy Scouts of America based on activities within a specific area of study. The purpose of the merit badge program is to allow Scouts the opportunity to explore, learn, and develop life skills, and self-confidence by achieving goals. With over 100 merit badges offered, from Business to Science and Sports, Scouts can increase their skill and knowledge to help them in their educational pursuits and also gain insight into various careers or avocations.

Why should we sponsor a Merit Badge Workshop?

It is only with the support of community leaders, families and businesses that Scouting is able to positively affect more than 2,500 youth and their families this year! With your support the Boy Scouts of America will ensure that the youth involved have the opportunity to attend summer camp, own their own books and uniforms, and enjoy all the benefits of Scouting. Your funding will also help create more Scout units, and develop a strong sense of Scouting throughout our communities. **The Boy Scouts of America will never turn away a youth because they are unable to pay, thanks to your contribution!**
