## Winter Advancement

### Project Tenderfoot

This program helps new Boy Scouts complete some of their Tenderfoot rank and teaches them some camping basics. Scouts should prepare by reading the requirements in the Scout Handbook.

### Climbing Merit Badge

Climbing is a huge part of the Hanna Venture Base. Scouts will be able to work on requirements for this merit badge over the weekend. Prerequisites: None.

### Cooking Merit Badge

Cooking is a valuable life skill that all scouts should know. Scouts will work on requirements including preparing meals during the weekend. Prerequisites: 4, 6, & 7.

### Wilderness Survival Merit Badge

Nothing says "winter" like building a snow fort. Scouts will work on requirements for Wilderness Survival throughout the weekend. Prerequisites: 5.
